I would like to take this opportunity to thank Chris Petis and Mark Hirte from Advanced Office Solutions.

Our head office recently moved locations and it was at this time that our relationship with Advanced Office Solutions began. We had been using another company for many years but it was evident that as our organization was growing that company was not able to provide the service or equipment to keep up with our changes.

I contacted Office Solutions and was put in touch with Chris Petis. Chris was helpful, knowledgeable and ensured that we were getting a product that would meet our current and future needs. At the same time as our office move, one of our other locations was requiring a new photocopier. This was when Mark became involved. Both Chris and Mark were able to meet all of our requests for both machines and unlike other companies once the sale was complete they continued to provide excellent customer service. As our agency continues to expand Chris and Mark are always the first people I look to when exploring new equipment.

I would not hesitate to recommend Chris Petis and Mark Hirte from Advanced Office Solutions.

Sincerely

Heather Moroz
