Re: Xerox WorkCentre Pro C3545 and Pro 55

Dear Sir/Madam:

We have had the pleasure of working with Romeo Venditti from Advanced Office Solutions for many years now and are very pleased with the Xerox products that we have leased throughout the years.

Advanced Office solutions and Xerox have provided us with very reliable and cost effective solutions to our ever changing business needs throughout the years. We use both a color product as well as black and white and both are very well suited to our needs. Our supplies come promptly when ordered and although we have very few service call needs, the technicians are very responsive and accommodating.

We highly recommend the Xerox products and Advanced Office Solutions as a provider.

If you require any further information, please feel free to contact me.

Sincerely,

Cindy Diodati
