To Whom It May Concern:

We at the Ontario Association of Career Colleges have been working with Xerox/Advanced Office Solution for many years and have been very satisfied with the experience. Our representative, Steven Foglietta, has been a pleasure to deal with. He has been prompt, very knowledgeable, and has provided our office with various pieces of equipment at excellent prices.

The WorkCentre and FaxCentre series of products at our office are very easy to operate, and are also very efficient & productive pieces of equipment. When service is required (which isn't often) all the levels of support are quick, efficient, and easy to deal with.

We would highly recommend working with Advanced Office Solutions, Xerox, and our representative Steven Foglietta. I am happily writing this letter expressing our satisfaction while proudly supporting a Canadian manufacturer.

Yours truly,

Lorna Mills  
Manager
