**To Whom It May Concern:**

It is a great pleasure to write this letter of reference in regards to Ms. Mariola Czarniak.

While dealing with Mariola, I had an opportunity to be able to appreciate the degree of proficiency with which she worked. She was punctual and reliable and the presentation of herself was implacable. I am sure she is an excellent employee in the business in which she is working and for the company in which she works. I would be pleased to do a letter of recommendation for her.

Sincerely,

A handwritten signature in black ink, appearing to read "Barbara Morris", with a long, sweeping flourish extending to the right.
