This letter is to serve as a recommendation for Mariola Czarniak, your Regional Account Manager.

I have personally dealt with Mariola on the last transaction with our company, whereby we increased our leasing products, so we could utilize a scan/copier. Because of the discussion with Mariola on the benefits of the scan/copier, we have since decreased our office expenses as we no longer require the amount of postage; amount of envelopes and and do not use the amount of paper as we did before.

Mariola has been very helpful in any questions we have asked; gets the answer in a reasonable time frame, and also follows up with us to make sure that the products are operating to our satisfaction.

All in all, we have had a very positive experience working with Mariola and enjoy her visits to the office.

Regards,
