To Whom It May Concern:

Brant Service Press is currently a Xerox customer and has been so for quite some time now. The reason why we have Xerox equipment is because it provides high quality work and allows our company to provide our clients with the best possible output of their critical documents.

Paul Attwood, our sales person has listened to our needs and has provided us with the appropriate equipment (currently a Xerox 5000 color printer and a Xerox 4110 black and white printer).

The Xerox service team, comprised of a number of highly qualified individuals, has also been responsive to our needs. Their servicing of the equipment has been exceptional and very timely. As printers, it is imperative that our equipment is kept running and they provide fantastic service!

In short, it is my pleasure to recommend Xerox to you. Feel free to call me if you have any questions.

Sincerely,
