To whom it may concern:

Central Presbyterian Church would like to thank Mr. Greg Macdonald for his assistance in the recent purchase of our new Xerox Workcentre Pro 55.

Mr. Macdonald's integrity and attention to our needs, without duress, was greatly appreciated by our staff. Any questions or concerns we had were quickly addressed. Mr. Macdonald enabled us to feel assured that our purchase was right for our needs.

Also appreciated was the information given to us regarding on line purchasing of supplies and technical service.

Yours truly,

Patricia Oosterveld
Office Administrator
