Re: Xerox WC7655 – Advanced Office Solutions

Dear Sir or Madam;

We at Edscha of Canada have been a satisfied Xerox customer for a number of years. We have always found that dealing with Romeo Venditti and Advanced Office Solutions to be a pleasant experience.

We have been downsizing for a while now and Romeo has always taken that into consideration when recommending equipment. When we leased the WC7655 and were able to retire three older pieces of equipment, which helped solve a lot of our printing, copying, faxing, scanning needs as well as our color and black and white needs. The WC7655 is a dream to work with because of it's ease of use, productivity and quality of output. We would highly recommend Advanced Office Solutions and Romeo Venditti for your office equipment needs.

If you have any questions, don't hesitate to call the undersigned.

Yours truly,
