Re: Xerox WorkCentre 7232

Dear Sir or Madam,

We at Oh Canada Eh? Dinner Show have been a satisfied Xerox customer for a number of years. We have always found that dealing with Romeo Venditti and Advanced Office Solutions to be a pleasant experience.

Romeo is very knowledgeable and courteous and really cares about our needs. It was his suggestion to upgrade our machine 2 years ago to the Xerox WorkCentre 7232 and we have been delighted with the machine's printing, copying, faxing and scanning capabilities.

When we do call for service, our technician is here promptly and we are up and running quickly. We find that our service technician offers up speedy and competent service.

We highly recommend Advanced Office Solutions and Romeo Venditti for your office equipment needs.

Yours truly,
