To Whom It May Concern:

We at Tik Tok Media are writing this reference letter as we are a very satisfied customer. Working with Advanced Office Solutions, Xerox, and our representative Steven Foglietta has been a fantastic experience. All the levels of service and support are quick, efficient, and a pleasure to deal with.

The DocuColor 252 and Bustled EFI Fiery have allowed our business to thrive with outstanding output and unmatched quality in our market. This machine rarely breaks down, but when it does the SmartKits are a life saver and easy to change out within seconds.

We would highly recommend working with Advanced Office Solutions, Xerox, and our representative Steven Foglietta. I would be happy to speak to anyone in regards to these matters and urge them to support this Canadian manufacturer and its partners.

Yours truly,

Kevin Wynne
President
